**New Ownership**

*Moline, IA / January 24th, 2020:* WaterPark Full Service Car Wash was purchased by “Clean Sweep Car Wash, Inc.” which operates “Pro-Clean Car Wash & Detailing” with branches in Iowa, Illinois, Ohio and Kentucky. The former WaterPark Car Wash locations in Moline, IL and Davenport, IA will transition over to Pro-Clean Car Wash and Detailing branches within the next few months. Remodeling is scheduled to be completed in March. The WaterPark brand will retire after 24 years of service to the Quad Cities area.

WaterPark CarWash was founded by Wayne Guinee, David Ostrom, Tom Bracke and Tim Richmiller in 1996. Wayne, Dave and Tom express, “We would like to thank our many wonderful customers and employees who contributed to WaterPark’s success over the last 24 years. These relationships allowed us to make many significant charitable contributions to our community.”

Their legacy will continue through Ken Littrell, the owner of “Clean Sweep Car Wash, Inc.” which operates “Pro-Clean Car Wash & Detailing.” Ken has a long history of working in the car wash industry. He even serves as the President of the International Carwash Association®. “Wayne and I share a commitment to quality and philanthropy,” Ken mentions, “and I am looking forward to continuing the legacy he built up over the past 20 plus years.”

The location will remain open for business during remodeling, which is scheduled to be completed by the middle of March 2020. Pro-Clean will also honor gift certificates sold by WaterPark. Ken invites everybody to stop by and emphasized “you will continue to see many of the familiar faces you know.”
